2 Timothy 3:14,17

¹⁴But you must continue in the things which you have learned and been assured of, knowing from whom you have learned them, ¹⁵and that from childhood you have known the Holy Scriptures, which are able to make you wise for salvation through faith which is in Christ Jesus.

¹⁶All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, ¹⁷that the man of God may be complete, thoroughly equipped for every good work.

Welcome to our Sunday Morning Educational Programs 2011-2012

Welcome to our Sunday Morning Educational Programs for the 2011–2012 school year. The first day is Sunday, September 18, 2011. Please fill out the registration form and return by Sunday, September 4th.

We are looking forward to a wonderful year. We have volunteers already, who are working to enhance our church school, teen, and adult curriculum and provide many activities. We are looking forward to a combined effort of teachers, parents, and volunteers. We have goals set which we will accomplish through extra effort, prayer, and spiritual guidance. Our children will benefit highly not only now, but in the future as they become young adults of our parish.

Jesus Blessing the Children

Teams of Volunteers

In order to offer the strongest educational and youth programs for our children and teens, we need as many volunteers — particularly parents of participants — as possible.

Thus far, we have nearly all the volunteers we need to offer to our children and teens a quality Sunday morning educational program on a weekly basis.

The success of any event or activity requires chaperones, etc., to be sure that the activity is safe and properly supervised.

There is strength in numbers. The more volunteers we have, the less any one person will have to do. We're counting on you to come forward. Get involved and enjoy the fruits of your labor.

Fr. Paul is coordinating the volunteers for each of these three programs, Pre-K, K—8, and 9-12. Please speak with him during coffee hour or call him at (973) 696-6572 if you would like more information.
